**Bluffy Lake Lodge is a drive-to fishing and hunting lodge.** Bluffy Lake is a series of lakes 30 miles long. The lodge began operation in the late 1940's as a small family owned fly-in fishing camp. In 1995 the logging roads came close to Bluffy Lake Lodge and a parking lot was made at that time. There is very limited road access to Bluffy Lake which gives you the feel of fly-in remote quality walleye and Northern fishing. The package plans give you a great vacation with the best opportunity for successful fishing and hunting. Better yet if you need any supplies, Ear Falls is just over 20 miles away. We also make trips to Ear Falls at least once a week to get that item you need.
