

Are you looking for great Walleye and Northern fishing on a quiet, secluded drive to lake? Bluffy Lake is a series of lakes 30 miles long with no public access or other lodges and very few cabins. This makes the lake remote with fishing just as grand as many other lakes. Bluffy Lake Lodge has 5 cabins which can sleep up to 28 people. The camp got its beginnings in the late 1940's as a fly-in fishing camp. In the 1990's logging roads brought Bluffy Lake Lodge the opportunity to be accessible by road. Our package plans give you a great vacation with the best opportunity for a successful fishing and/or hunting trip. Great place to bring your family or a group!

PLEASE NOTE: BLUFFY LAKE LODGE is a great Walleye and Northern Pike fishing lake. All Walleye over 18" and all Northern Pike over 27.5" are to be released unless it is to be mounted. Fish are measured tip of mouth to closed tip of tail. Before there were limits, Bluffy Lake size and quantity of fish was very limited. The catch and release guidelines in place for the last 25 years has made Bluffy Lake one of the most outstanding, prestigious fishing lakes in the area. This is becoming common practice in Ontario.
