

Are you looking for great Walleye and Northern fishing on a quiet, secluded drive to lake? Bluffy Lake is a series of lakes 30 miles long with no public access or other lodges and very few cabins. This makes the lake remote with fishing just as grand as many other lakes. Bluffy Lake Lodge has 5 cabins which can sleep up to 28 people. The camp got its beginnings in the late 1940's as a fly-in & boat-in fishing camp. In the 1990's logging roads brought Bluffy Lake Camp/Lodge the opportunity to be accessible by road. Our package plans give you a great vacation with the best opportunity for a successful fishing and/or hunting trip. Great place to bring your family or a group!

WHAT TO BRING

Drinking water/beverages, food, bath/dish towels, soap, camera, insect repellent, sunscreen, sunglasses, toiletries, paper products (paper towels & plates), and snacks. Also bring clothing for all seasons including rain gear and hats/caps. Don't forget your fishing gear. We do have very limited life jackets if you need a life jacket. Also, you will need current Ontario Outdoors Card and Ontario fishing or hunting license. You can also read regulations and get licenses online.

WHAT NOT TO BRING

All cabins fully equipped with lights, propane range, refrigerator, electric toaster, stovetop percolator, kitchen dishes/pans, gas grill and bedding. Bluffy Lake Lodge runs on a generator with limited electrical output. For cabin safety, no electric deep-fat fryers, electric fry pans/ skillets, etc. Propane deep-fat fryers and cast-iron pans are available. Electric drip coffee pots are not available, but you may bring your own if it is shut off when not in use and when you leave during the day.

We also provide minnow buckets for minnows that are sold onsite. No other bait sold onsite.

PLEASE NOTE: BLUFFY LAKE LODGE is a great Walleye and Northern Pike fishing lake. All Walleye over 18" and all Northern Pike over 27.5" are to be released unless it is to be mounted. Fish are measured from tip of mouth to closed tip of tail. Before there were limits, Bluffy Lake size and quantity of fish was very limited. The catch and release guidelines in place for the last 30 years has made Bluffy Lake one of the most outstanding, prestigious fishing lakes in the area. This is becoming common practice in Ontario.

Life jackets are mandatory. Guests under 16, by law, are not allowed to operate boats and motors.
